

ENROLMENT APPLICATION FORM

TITLE: MR/ MS/MRS

SURNAME: _____ GIVEN NAME(S): _____

SCHOOL: _____ ADDRESS: _____

PH: _____ FAX: _____ Email: _____

Please tick:

- Project Management @ \$275 participant
- Age of Silicon @ \$275 participant
- Visual Basic @ \$275 participant
- Web Technology (Intro) \$275 participant
- Overview of Computing Languages @ \$275 participant
- Web Technology (Advanced) @ \$275 participant
- Integrating Technology @ \$275 participant
- Object Oriented Programming @ \$275 participant
- Relational Databases @ \$275 participant

Enclose cheque payable to *Macquarie University* or provide credit card details:

VISA/MASTERCARD/BANKCARD

CARD NUMBER: _____

EXPIRY DATE: ____/____

CARDHOLDER'S NAME: _____

SIGNATURE: _____

Applications to:

Linda Kerr

ICS Macquarie University NSW 2109

Ph: 02 9850 9101 || Fax: 9850 9102 || Email lkerr@ics.mq.edu

RULES AND REGULATIONS

1. Where withdrawal from a course is prior to the commencement of the course, an amount equal to 20% of the course fee will be kept by Macquarie University.
2. Where entry to a course is by quota, and withdrawal from such a course occurs before the course commences, consideration of a refund will only be made when it is possible to re-allocate the vacancy to another applicant.
3. Where withdrawal is made after the date of commencement of the course, no refund will be made.

(Late enrolments will be considered subject to availability)

Computing & Physics Teacher Professional Development Courses

Project Management

Age of Silicon

Visual Basic

Introduction to Web Technology

Overview of Computing Languages

Advanced Web Technology

Integrating Technology into the Classroom

Object Oriented Programming

Relational Databases

Computing Workshops for Teachers

15-16 March: Project Management

Cost: \$275 (inc. lunch)

This workshop is designed for teacher of IPT and SD&D to help manage teacher come to terms with Project Management as a discrete area. The topic is useful for any teacher managing project work with school groups.

29-30 March: Visual Basic

Cost: \$275 (inc. lunch)

This workshop is an introductory approach to using VB. Knowledge of programming not essential.

5-6 April: Introduction to Web Technology

Cost: \$275 (inc. lunch)

This workshop is useful for all teachers who would like to learn how to make basic web sites using HTML. *Those attending this workshop can attend "Integrating Technology into the classroom: 28-29 June" for half price.*

10-11 May: Overview of Computing Languages

Cost: \$275 (inc. lunch)

This workshop addresses the needs of the SD&D Option1 "Evolution of Programming Languages".

24-25 May: Advanced Web Technology

Cost: \$275 (inc. lunch)

This workshop is for teachers who have some working knowledge of HTML and writing and uploading web pages. You will learn client server programming using TCL.

28-29 June Integrating Technology into the classroom

Cost: \$275 (inc. lunch)

If you attend "Introduction to web Technology" you get a discounted price of \$135.

This workshop is a must for any teacher who has to deal with classes in computer labs. Must have some working knowledge of HTML.

26-27 July Introduction to Object Oriented Programming and Java

Cost: \$275 (inc. lunch)

This is an introduction to OOPs languages and Java programming for SD&D teachers.

9-10 August: Relational Databases

Cost: \$275 (inc. lunch)

This is an introductory database workshop for IPT teachers. We explore the modeling and implementation of relational databases through the use of modeling techniques which allow us to implement tables and see from a logical point of view how they are 'related'. Implementation and querying of tables will take place by way of SQL (Structured Query Language). Some advanced concepts including database concurrency issues and PL/SQL (Programming Language/Structured Query Language) will also be examined.

For Physics Teachers

22-23 March: Age of Silicon

Cost: \$275 (inc. lunch)

This workshop addresses the needs of teachers who are interested in the Option Age of Silicon. All teaching notes will be provided, including hands-on activities.
